# A New Generation of Cleaning Power

## 4x Longer Lasting than Lead Batteries

### Runs Longer

Configurable performance that suits you, offering increased runtime of up to 44%\*1. Ensuring you can keep cleaning when it is most convenient for you.

### Charges Faster

Unlike lead, NX1K allows complete flexible charging, unlocking the cleaning potential across the fleet, increasing available up-time.

### More Sustainable

NX1K lasts longer than lead alternatives, significantly reducing material use and disposal, providing a much more sustainable solution.

### Long Lasting

Delivering over 4000 charge cycles, NX1K will last as long as your machine. Utilising the latest Lithium Phosphate Technology, NX1K is one of the safest battery platforms on the market. An extended battery warranty\*2 provides complete peace of mind for you and your cleaning fleet.

## Fast Charge, Long-Life, Flexible Power

NX1K brings the latest Lithium Technology to the Numatic FloorCare Range, delivering more runtime with faster, flexible charging and long-life power with the same professional results and reliability.

- 4x Longer Lasting than Lead Batteries
- Advanced & Safe Lithium Phosphate Technology
- Flexible Charging
- 4000 Charge Cycles
- Extended Long-Life Power

### 4X LONGER LASTING THAN LEAD BATTERIES

\*1 Any comparisons used are based on typical usage scenarios, results may differ. Performance comparisons use equivalent GelTec models.  
\*2 Extended 8-years' battery warranty subject to terms and market availability, please contact Numatic for more information.

## We've got FloorCare Covered

The NX1K Scrubber Dryer Range delivers leading cleaning results from our latest battery technology. From mid-sized walk-behinds, to compact ride ons, the NX1K cleaning fleet provides cordless convenience and professional results, wherever the environment.

**- CLEAN, DRY & SAFE Floors in Minutes**

Consistent, quick and high-quality cleaning results, wherever they are needed.

**- FAST & FLEXIBLE Charging**

Fast Charge Technology drives productivity, producing an increase in machine availability.

**- POWERFUL Cleaning Results**

Unrivalled cleaning performance, even in the most demanding environments.

# Numatic

## Versatile Cleaning Convenience

Optimise cordless convenience with our range of NX1K machines. All designed with user-friendly controls and an on-board charging system for maximum efficiency. Each model also comes with its own unique features and benefits, ensuring an option to suit all of your cleaning needs.

### TBL4045, TBL4055, TBL4055T

Adjustable handle height for user comfort.

Tilting brush deck for ease of storage.

Easy access, on-board charging point.

User-friendly, colour-coded touch points.

### TBL6055, TBL6055T, TBL8572

Simple to use control panel.

Easy access, on-board charging point.

Floor tool and squeegee lifting handle.

Water level indicator.

### CRL8055, CRL8072

On-board safety features: emergency stop, horn, power-off key and hazard warning light.

Simple to use control panel.

Anti-tip system.

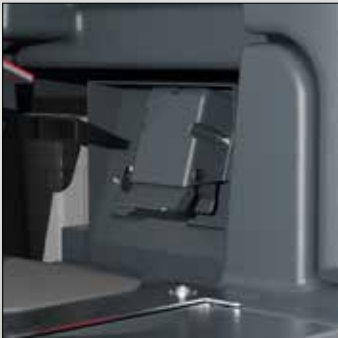

Rotating bumpers to protect surfaces and the machine.

### TRL720, TVL850

Traction controller provides improved durability with a slow start/stop feature, smooth acceleration/deceleration and auto slow-down on tight turns.

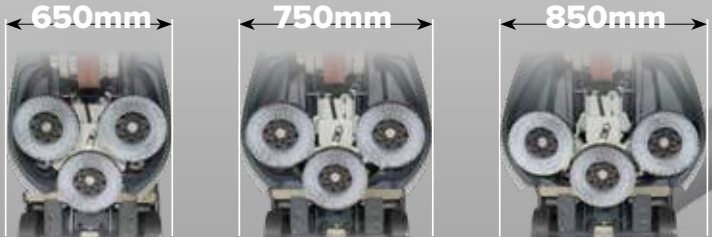

Easy access, on-board charging point.

On-board safety features: emergency stop, horn, power-off key and hazard warning light.

Floor tool and squeegee lever.

#### TVL850 Variable Brush Width

True cordless convenience and customisation by choice of 3 scrubbing widths. One machine, 3 different working widths: 650, 750 and 850mm and all set with a simple selection lever. No tools required – anybody can do it. Set the width you require and you are ready to go.

TRL720 & TVL850 Control Panel.

# Nu-Assist

## Training and Support at your Fingertips

### INCREASE CLEANING PRODUCTIVITY

The Nu-Assist App offers the benefit of online training through a simple, versatile and user-friendly solution, resulting in increased cleaning performance and productivity.

- » 24/7 Access to Multilingual Training
- » On-hand Troubleshooting and Maintenance
- » Increased Cleaning Productivity
- » Product Training

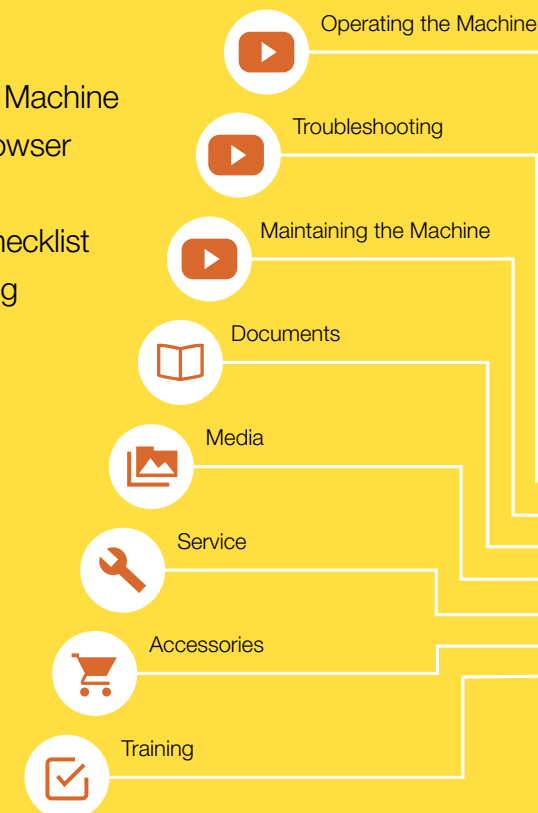

### Training and Support Around the Clock

#### How it Works

1. Scan the QR Code on the Machine
2. Open in App or Mobile Browser
3. View Quick Start Videos
4. Carry Out Maintenance Checklist
5. Complete Operator Training

#### Download the App

#### Multilingual Support

With Nu-Assist on-hand, you and your team have 24/7 access to multilingual training, troubleshooting and maintenance content from any device, increasing cleaning productivity across the board.

#### Quick Start Guides

Don't delay and get straight to business with our Quick Start guides. Learn how to get your machine up and running and start achieving those high-quality cleaning results as quickly as possible.

#### Maintenance Videos

Find out how to effectively maintain your machine in order to ensure maximum cleaning productivity, time and time again.

#### Troubleshooting Videos

Got a problem with your machine? Get help whenever you need it with Nu-Assist. Our wide range of handy troubleshooting videos help you to identify and resolve problems quickly and easily, meaning less down time and more time to get the job done.

## Brushes & Drive Boards

Careful selection of quality brushes and pads will ensure your scrubber dryer always operates at its best.

### Ten-Tec

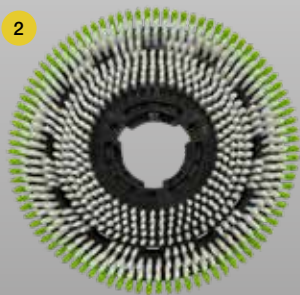

#### High Performance Brushes

- Lasts 10x longer than a standard polyscrub brush
- Replaces up to 100 standard red pads
- Improves cleaning results compared to standard brushes
- Reduces the need for chemical additives, lowering cleaning costs
- Available for use across the Numatic Scrubber Dryer range

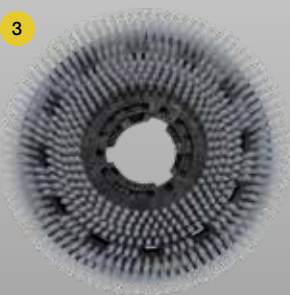

**Ten-Tec High-performance Brush (370, 450, 550mm)**  
**Ten-Tec Octo High-performance Brush (300mm)**  
Suitable for General Scrubbing  
Suitable for all Floor Types

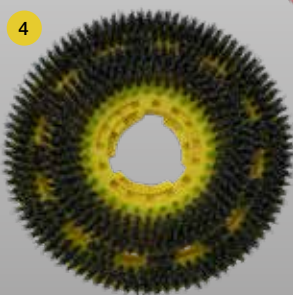

#### Optional Brushes

**Polyscrub Brush**  
General scrubbing duties, suitable for most floor types.

**Nyloscrub Brush**  
Suitable for when lighter scrubbing is required and can be used for shampoo cleaning.

**Long-Life Scrubbing Brush (Green)**  
Can provide extended cleaning life in comparison to standard scrubbing brushes. Suitable for general scrubbing.

**PadLoc Drive Board**  
A simple, effective and easy to use system. Pads are located securely and perfectly centred every time. Suitable for general use.

**NuLoc2 Drive Board**  
Alternative to PadLoc that may be required when using a rotary machine in certain circumstances. Suitable for general use.
