# Numatic

## 5-Point Partnership Pledge

### 1. Reduce Cost of Cleaning

NHS customers will always receive Numatic's best price promise.

### 2. The Sustainable Solution

Numatic recognise the need and demand for sustainable cleaning solutions, without compromising productivity or quality. We ensure our products are the most efficient, from reducing water usage to energy consumption.

### 3. NHS Approved Supplier

Numatic are an approved supplier to the NHS on Supply Chain Tower 11.

### 4. Designed and Made in the UK

Numatic equipment is designed and manufactured right here in the UK.

### 5. Best-in-Class Service

From demonstration to consultation, training to aftercare; Numatic are always on-hand to support wherever and whenever it is required.
