

TVL850

Fast Charge, Long-Life, Flexible Power

TVL850

True cordless convenience and customisation by choice of three scrubbing widths and longer runtime. The unique arrangement of three independent scrubbing heads can provide personalised performance on almost any surface application.

Powered by the latest lithium phosphate technology, NX1K. Providing fast charging with complete flexibility, with no impact on battery health. A 120L capacity front wheel drive machine, with a fantastic turning radius, to get in and out of places other machines just won't go.

CLEAN, DRY & SAFE Floors in Minutes

Consistent, quick and high-quality cleaning results, wherever they're needed.

COMPLETE Cleaning Control

Fully adjustable speed control, easy access to batteries and fuses and simple brush changes.

FAST & FLEXIBLE Charging

NX1K technology provides fast and flexible charging.

STAY CLEANING For Longer

With 120L capacity and up to 6 hours 20 minutes runtime, the TVL850 keeps you cleaning for longer.

Nu-Assist

With the Nu-Assist App on hand, you and your team have 24/7 access to multilingual training, troubleshooting and maintenance content from any device, increasing cleaning productivity across the board.

NX1K Next Generation Lithium Power

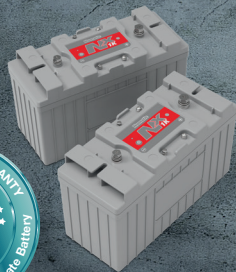

4x Longer Lasting than Lead Batteries*

Advanced & Safe Lithium Phosphate Technology

Flexible Charging

4000 Charge Cycles

8 Years Warranty†

Accessories and Replacement Parts

A comprehensive range of accessories and replacement parts are available to achieve professional results, whatever the challenge.
