

Responsible Purchaser

Timber Development UK
building a better world with wood

Howarth Timber Group Ltd

is participating in Timber Development UK's (TDUK) Responsible Purchasing Policy (RPP) which includes, where applicable, gathering and reporting of annual import/purchasing data, conducting and continuously improving Due Diligence in line with the UK and/or EU Timber Regulation (UKTR/EUTR) or submitting an annual declaration of no imports.

All timber operator members who place timber on the UK market are required to go through an annual audit in line with the UKTR. The audit is carried out by Soil Association, UK.

31st March 2024

TDUK's Responsible Purchasing Policy (RPP) is a risk management framework for the continuous improvement of members' awareness, understanding and capacity for meeting the UK Timber Regulation (UKTR), UK Construction Products Regulation (CPR) and TDUK Code of Conducts.

This is part of our pledge to only supply the market with 'Timber You Can Trust'. More information can be found on our website under: <https://timberdevelopment.uk/sustainability/rpp-toolkit/>
