

NSU370

High-pressure Misting Disinfection System

An effective, easy to use misting system ideal for schools, workplaces and hospitality.

Simple to use with high-pressure quick drying mist.

Independently tested to destroy 99.999% of pathogens.*

High-performance pump and large capacity for extended use.

Numatic

A high-pressure misting disinfection system, the NSU370 Sanitise Pro delivers 99.999% efficiency in inactivating and destroying pathogens.

• Increased Productivity

A consistent dispersion pattern for reliable disinfection results and even distribution increases coverage performance and dries in under 10 minutes.

• High-pressure

High-pressure mist creates a vortex effect, reducing particle speed, displacement of pathogens and increasing coverage across surfaces and touchpoints.

• Performance you can Trust

Designed and engineered for extended use in commercial environments.

Working in conjunction with

The Complete Disinfection System NSU370 + TECcare Control

Single-step cleaning and disinfection solution for all, in any environment. Delivering the combination of excellent antimicrobial properties with unparalleled non-corrosive performance. 99.999% effective in inactivating / destroying pathogens when using complete NSU370 System. System comprises NSU370 Mist Unit applying TECcare Control Disinfectant Solution.

Compact to store

Easy to fill "no spills" tank

- Chlorine-Free
- Alcohol-Free
- Food Safe
- Non-Toxic
- Non-Irritant

- Kills Bacteria
- Kills Viruses
- Kills Fungi
- Fast Acting
- Lytic Agent

- Water-Based
- Very Low Chemical Levels
- Non-Corrosive Properties
- Safe on All Surfaces

- All-in-One
- Cleans
- Disinfects
- Simple Dosing

Specifications

Model	Capacity - Tank	Weight	Flow	Droplet size	Cleaning Reach	Hose length	Cable Length	Optimum Spray Distance	Max Pump Pressure
NSU370	5L	7.2kg	150ml / min	65-75 Microns	26m	2.2m	10m (Hi-Vis)	100cm	15bar / 217psi

Please note, do not spray electrical items such as computers, monitors or electrical sockets at close distances.

*99.999% effective in inactivating / destroying pathogens when using complete NSU370 System. System comprises NSU370 Mist Unit applying TECcare Control Disinfectant Solution.
