

244NX-RC

Compact and Cordless Scrubber Dryer

Fast • Effective • Clean

Our most advanced and exciting FloorCare technology

Numatic

244NX-RC Compact Scrubber Dryer

The 244NX-RC Compact Scrubber Dryer delivers fast, effective cordless cleaning across hard-floors.

Often the only solution when cleaning in small and congested areas has been traditional mopping, typically leaving floors wet with inconsistent results. Lightweight and easy to use, the 244NX-RC leaves floors clean, dry and safe whilst reducing labour costs by 70% and water use by 80%.^{*1}

Centrifugal Water System ensures precise distribution across the brush or pad, delivering on cleaning performance whilst saving water. Made from ReFlo Technology, using high-grade recycled plastics delivering on sustainability and durability.

244NX-RC is made using a minimum 20% recycled plastic content.^{*2}

- 70% Saving in Cleaning Costs*
- 80% Lower Water Use*
- Up to 80 mins Runtime
- 1 Hour Fast Charge
- Enhanced Sustainability
- “One Fits All” Battery

Park-up Feature

One-Pass Performance

^{*1} Time saving of 70% vs mopping / wage £11 per hour. 100sqm 7 days per week. Water use by 80% based on replacing 16L mopping system, cleaning 7 days per week.
^{*2} 20% represents the minimum use of recycled plastic content, including all accessories, excluding NX300 charger.

Power & Innovation

One-Pass Performance

One-pass cleaning performance is achieved by applying brush pressure and powerful drive motors with the right amount of water in the right place.

Smart Water Use

The direct water feed to the centre of the brushes distributes evenly and consistently across the cleaning area, delivering best in class water efficiency.

Powerful Brush Deck

Delivering controlled and lightweight handling with no messy spray from the twin motor aluminium brush deck.

High Performance Brushes

Designed to last up to 10x longer than a standard Polyscrub brush, the Ten-Tec High Performance Brushes can provide extended cleaning life and reduces the need for chemical additives, therefore lowering costs and saving you money.

Centrifugal Water Delivery

NX300 Power

Powered by the NX300 36V lithium battery pack, the 244NX-RC delivers on performance, runtime and fast charge. Packed with power, the 30 cell design incorporates our latest battery technology ensuring optimum performance and safety.

1 Hour Fast Charge

Recharged to 80% in just an hour* and ready to go for every product in the NX300 range.

Cost Effective

Made for the long haul, the NX300 won't let you down. Engineered and tested for commercial use, delivering up to 2500 charge cycles.

One Fits All Productivity

The convenience, safety and power of Pro Cordless with reduced costs and lower maintenance from a single battery and charger system.

Specifications

36V Power	2.0KG Weight	300Wh Battery Capacity	1hr 80% / 2hrs 100% Charge Time	Up to 2500 Charge Cycles
--------------	-----------------	---------------------------	------------------------------------	-----------------------------

*Higher ambient temperatures may increase charge time.

Low Profile Deck

Ergonomic & Simple to Use

Agile and lightweight handling easily navigates obstacles and congested areas, gliding over floors for controlled, effortless cleaning.

Designed for any user to be up and running in seconds, achieving consistent professional results. The 244NX-RC offers user-simplicity in every sense, from initial set-up, daily use, maintenance and training. The ergonomic design incorporates features including “Park-up”, allowing users to easily move obstacles and a foot-operated floor tool eliminating frequent bending.

Agile Manoeuvrability
Tackle congested spaces.

Fully Adjustable Handle
Find the perfect working position.

Easy to Use
Simple to set up and easy to use.

Colour-coded Touch Points
Operator guided touch-points.

Foot-operated Floor Tool
Lower floor tool with no bending.

Foot-operated Brush Deck
Simple and easy to engage brush deck.

**“Up and running in seconds,
simple to use and easy to maintain.”**

Easy Empty
Removable 3L recovery tank.

Simple Fill
Removable clean tank with “No-Spill” cap.

Adjustable Water Flow
Easily adjust water flow to suit your cleaning.

Recharge Time 1hr 80% / 2hrs 100%			
Coverage Per Tank (ECO) 680m² / Tank (34mins)			
Deck Size 440mm		Brush/Pad Size 2x220mm	
Dimensions (WxLxH) 520x450x1180mm			

*NET Weight excluding battery and water.
*Higher ambient temperatures may increase charge time.

Professional Accessories

Ultimate Versatility

With a wide range of pads and brushes available, you can achieve professional results whatever the cleaning challenge. Water tanks and floor tools are available.

“New for 2024, the Ten-Tec brushes raise the standard in scrub brush performance.”

Ten-Tec

High Performance Brushes

- Lasts 10x longer than a standard polyscrub brush
- Replaces up to 100 standard red pads
- Improve cleaning results compared to standard brushes
- Reduces the need for chemical additives, lowering cleaning costs

Available for use across the Numatic Scrubber Dryer range

Ten-Tec Brush
High Performance Brush
Supplied as pack of 2.
PN: 918296

Suitable for:

- General Scrubbing
- Daily Cleaning

Nyloscrub Brush
Suitable for when lighter scrubbing is required.
Supplied as pack of 2.
PN: 911931
Suitable for:

- Light Scrubbing
- Daily Cleaning

Polyscrub Brush
General scrubbing duties suitable for most floor types.
Supplied as pack of 2.
PN: 911843
Suitable for:

- General Scrubbing
- Daily Cleaning

PadLoc Drive Board
A simple, effective and easy to use system. Pads are located securely and perfectly centred every time.
Supplied as pack of 2.
PN: 911844
Suitable for:

- General Use

NuPad White
Delicate surface cleaning pad for hard-floors.
Supplied as pack of 10.
PN: 912354
Suitable for:

- Ultra-light Use
- Delicate Cleaning

NuPad Green
Heavy-duty cleaning pad for hard-floors. Removes dirt and scuff marks.
Supplied as pack of 10.
PN: 912352
Suitable for:

- Heavy-duty Use
- Daily Cleaning

PU-Pad
High-efficiency floor cleaning pads. Suitable for use on all hard-floors. More durable and efficient than a conventional melamine pad. Environmentally friendly.
Supplied as pack of 2.
PN: 912356
Suitable for:

- Heavy-duty Use
- Daily Cleaning

NuPad Red
General use floor cleaning pad for hard-floors. Removes light dirt and scuff marks.
Supplied as pack of 10.
PN: 912353
Suitable for:

- General Use
- Daily Cleaning

Green Twister Pad
Specially developed with billions of microscopic diamonds. Suitable for use on most hard-floors.
Supplied as pack of 2.
PN: 912355
Suitable for:

- Light Use
- Daily Cleaning

Blade Set
For maximum cleaning contact with the floor and an inner harder shore core leaving a dry streak-free floor.
Supplied as pack of 2.
PN: 913810

Solution Tank
Additional or replacement solution tank to have on hand for extra cleaning.
PN: 913825

NX300 Battery
Additional battery for use with the NX300 Pro Cordless Network.
PN: 913686

NX300 Charging Dock
Additional charging dock for use with NX300 Pro Cordless Network.
PN: 911334

NX300 Dual Charging Dock
Additional dual charging dock for use with NX300 Pro Cordless Network.
PN: 910820

Power the Entire Fleet with NX300 Battery Technology

Nu-Assist

NX300 Pro Cordless Network delivers professional level performance to a versatile and expanding range. Quicker, safer and more convenient, switching to Pro Cordless raises productivity levels, saving time and money.

Training & Support Around the Clock

Providing training is not always straightforward and can be time-consuming, complex and costly. The Nu-Assist App offers the benefit of online training through a simple, versatile and user-friendly solution, resulting in increased cleaning performance and productivity.

- 24/7 Access to Multilingual Training
- On hand Troubleshooting and Maintenance
- Increased Cleaning Productivity
- Product Training

How it works

1. Scan the QR Code on Machine
2. Open in App or Mobile Browser
3. View Quick Start Videos
4. Carry Out Maintenance Checklist
5. Complete Operation Training
